

Powerful Performance. Winning Results.

Breeder First Wean One

Feed 2-5 lbs of Honor® Show Chow® Breeder First Wean One to weaned pigs. This feed is designed to be fed to pigs up to 15 lbs. in body weight; however it can be fed to heavier pigs.

Honor® Show Chow® Breeder First Wean One can be used as a creep feed to encourage early feed intake. Feed continuously as sole ration for 14 days.

Honor® Show Chow® Breeder First Wean One feed is supported by Purina Mills® Animal Nutrition. Get your best animals on Honor® Show Chow® Breeder First Wean One today so they can reach their full potential.

FEATURES	BENEFITS
Formulated with very high quality animal protein sources	Very palatable, newly weaned pigs get on feed fast and look great (plasma, select fishmeal, spray dried red blood cells, spray dried eggs, spray dried skim milk, and other great ingredients)
High levels of protein, essential amino acids (1.8% lysine), and crude fat (10.0%)	Nutrient dense to be highly palatable and very digestible for weaned pigs
Organic acids, yucca schdigera extract, and high levels of vitamins	Acidified to enhance digestibility, yucca to promote intake and air quality, and high in fat and water soluble vitamins for small pigs
3/32" pellets	Extremely small pellet for improved intake
Two medication options (CTC/DEN™ & Carbadox™)	Helps prevent and control respiratory and digestive tract diseases - Helps support normal immune systems
Coconut oil	Highly digestible fat source for young pigs
Zinc Oxide	Helps control scours caused by E-coli organism
High lactose level	Very palatable to help improve the transition from sow's milk to a solid feed

FEEDING DIRECTIONS

Feed two (2) to five (5) pounds of Honor® Show Chow® Breeder First Wean One to small or sick piglets. Honor® Show Chow® Breeder First Wean One can be used as a creep feed to encourage early feed intake. Feed continuously as sole ration for 14 days.

Reminder:

Feed is perishable and should be stored in a clean, dry, well-ventilated area so it will remain fresh and palatable. DO NOT feed moldy or insect infested feed to animals as it may cause illness, abortion or death.

Fresh, clean water should be available at all times.
