Powerful Performance. Winning Results.

Showpig 16

Honor® Show Chow® Showpig 16 is designed to be fed to growing/finishing show pigs. Showpig 16 is a great feed between Honor® Show Chow® Showpig Grower and Powerfill®, and is formulated to “soften” raw, extreme muscled pigs.

Honor® Show Chow® Showpig 16 is supported by Purina Mills® Animal Nutrition. Get your best animals on Honor® Show Chow® Showpig 16 today so they can reach their full potential.

FEATURES	BENEFITS
Formulated for maximum growth and optimum muscle development	Helps unlock the pig's genetic potential
Contains 6.5% crude fat, while being balanced for digestible amino acids	For optimum body condition and growth performance
Medicated options: Lincomycin or Tylan	Helps support normal immune systems
High quality ingredients (animal protein product is select fishmeal)	Very palatable ingredients help feed intake
Completely balanced from top to bottom (amino acids, energy, minerals, vitamins, and etc.)	Helps pigs grow and will help soften extreme muscle

FEEDING DIRECTIONS

Feed Honor® Show Chow® Showpig 16 to show pigs weighing 125 lbs. or more. Feed approximately 6-7 lbs. per day depending upon desired growth rate.

Reminder:

Feed is perishable and should be stored in a clean, dry, well-ventilated area so it will remain fresh and palatable. DO NOT feed moldy or insect infested feed to animals as it may cause illness, abortion or death.

Fresh, clean water should be available at all times.
