Medicated for maintaining weight gains and feed efficiency in the presence of atrophic rhinitis.

Active Drug Ingredient: Tylosin 100 g/ton

FEEDING DIRECTIONS

Feed to growing swine being fed for show purposes from 40 pounds to 150 pounds body weight. Then transition to Honor® Show Chow® Showpig Finisher T100 to aid in body condition. However, Honor® Show Chow® Showpig Grower T100 may be fed all the way until show.

Warning:

Contains a high level of copper; do not feed to sheep.

Reminder:

Feed is perishable and should be stored in a clean, dry, well-ventilated area so it will remain fresh and palatable. DO NOT feed moldy or insect infested feed to animals as it may cause illness, abortion or death.

Fresh, clean water should be available at all times.
